## WHAT YOU NEED TO KNOW

### Elective Subjects

Any unit that is not within the award is classified as an elective subject. Before enrolling into an elective subject, ensure that you have met the pre-requisite for that unit.

For example, if you are to enrol into COM505 Intercultural Communication, which is outside of the Master of Theology award, this will be classified as an elective unit.

### Course Levels

100, 200 or 300 level is indicated in the course code e.g THE201 is a 200 level theology unit, whereas LEA301 is a 300 level leadership unit. The units increase in difficulty and build upon content and concepts that have come before.

### Pre-requisites

A pre-requisite is a unit that must be successfully completed before attempting another unit. For example, in order to attempt THE201, you must complete THE101. Students must have completed the pre-requisite to enrol in the subject.
